Dear Parents,

Some of you may be aware that an email was sent to schools in Croydon and nationally regarding a potential bomb threat. I would like to assure you that when Good Shepherd was alerted to this email, all necessary steps were taken to ensure the safety of everyone on school premises.

I contacted the Police and the Local Authority to take advice and the following information was given out and confirmed in an email stating that it was felt that 'the threat was not viable or credible.' The Police advised schools to contact them should they have any concerns.

I would like to reassure you that all appropriate steps were taken and should it have been necessary the children would have been evacuated and you would have been contacted.

Should I receive any further information or should there be a change in circumstances, you will be informed immediately.

Yours sincerely

Mrs Fernandes
Headteacher
