Catchment area	Good Shepherd is a one form of entry school located in New Addington, Croydon. The majority of pupils come from the local Fieldway ward which is one of the most deprived areas in the country. However, a number of families travel from within the borough because they want their child/ren to benefit from learning in a faith school. The school is close to the Fieldway tram stop but not visible from the main road.

Issues

Current Issues

Category	Date identified	Details	How identified	Solutions	Documents
Road Safety	FEBRUARY 2012	Congestion around the school at key times. Particular issue with cars parking on zig zag lines and across the school gates.	A number of near misses were reported where pupils were trying to navigate traffic. Responses to the parent survey.	Regular attendance of traffic monitoring cameras. Increased traffic warning signage outside school and at the entrance to the road.	
Road Safety	JANUARY 2012	Speeding cars in Dunley Drive and on Fieldway.	Responses to the parent survey.	Increased traffic calming measures in Fieldway and Dunley Drive. Pedestrian crossings in Headley Drive and Fieldway. Increased school awareness signage in Dunley Drive and Fieldway. Increased awareness initiatives with parents highlighting the problems - often parents speeding up to or away from the school.	
School facilities	FEBRUARY 2012	Poor facilities for shelter in bad or extreme good weather prevents parents walking to school. If they walk, they are exposed waiting in the school playgrounds.	Parents prefer to drive and wait in their cars. This increases the issue of traffic congestion outside the school at key times.	Extend the availability of shelter in the school playgrounds.
