

**Ideas of things to do**

**Dear Children and Parents/Carers,**

**There are lots of ideas of things to do at home and free resources to try out. Remember to check with your adult before you go on the internet.**

**Tongue Twisters**

Have a go saying these tongue twisters. Try to say each one several times.

Peter Piper picked a peck of pickled peppers  
A peck of pickled peppers Peter Piper picked  
If Peter Piper picked a peck of pickled peppers  
Where's the peck of pickled peppers Peter Piper picked?

I scream, you scream, we all scream for ice cream

She sells seashells by the seashore

I saw a kitten eating chicken in the kitchen

Six sticky skeletons

**Old photographs**

Go through old photos with your parents/carers and talk to them about the happy memories behind them

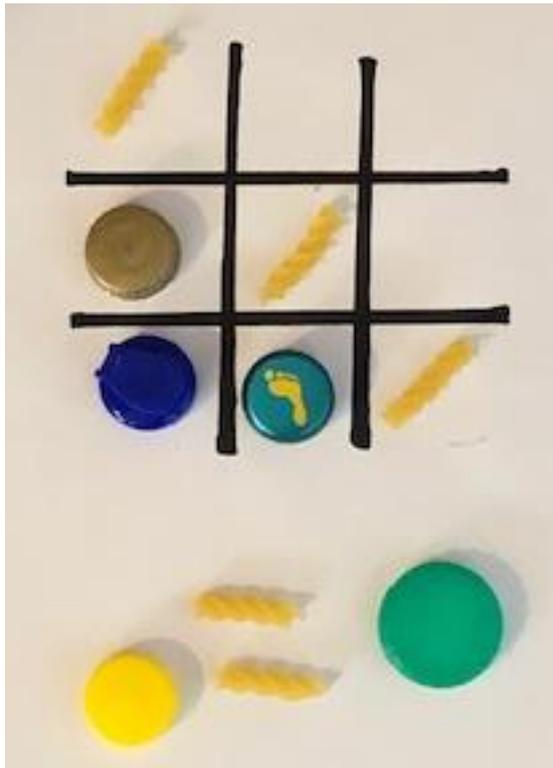

---

**Family portrait**

Draw a family portrait to remember the lockdown period. Don't forget to put a rainbow in the background to remember that there's always a beautiful rainbow after every storm.

## Nought and crosses

Make your own noughts and crosses game by drawing it out on a piece of paper and making counters for the two players. I've used pasta and bottle tops.

Take it in turns to put down one of your 'counters'. The winner is the first person to get three in a row either horizontally, vertically or diagonally. The winner in the picture is the player with the pasta.

Don't forget to keep all the bits safely so you can play it again and again.

## Tidying up

I know this is full of fun ideas but helping out at home is really important. Your parents and carers are working extra hard at the moment to look after everyone in the family. Why not give them a bit of a break by tidying up your bedroom or the living room?

## Sing-along

Have fun learning about different periods in history by listening to the songs from the Horrible History series. They're really good fun!

## Become a fashion designer

Draw the outline of a t-shirt on a piece of paper and design a pattern on it. You could make it a road safety t-shirt and make it really bright or perhaps a t-shirt for a disco.

## Using codes

Sometimes it can be really important that a word or message is received correctly. The phonetic alphabet is sometimes used to help spell words clearly. Can you send a message to someone using the phonetic alphabet?

My message to you is:

Hotel echo lima lima oscar

## More codes - Letters for Numbers

For a super simple coded message, pass messages onto each other by giving each letter a number that corresponds to its alphabetical order!

For example, *SAM* would be 19-1-13.
