Absence

If your child will not be coming into school on a particular day and they have been in school previously, please contact the school office to let us know.

Nursery, Reception, Year 1, Year 5, Year 6

If you would like to start sending your child back to school, you must now contact the school office to see if we have space for your child as some classes are now full and unable to take more children and maintain social distancing.

If you decide to keep your child at home, there will be home learning for the week posted on the website each Monday.

A prayer for your family

In this Sunday's Gospel, Jesus is sending out his disciples to heal and to preach the good news. Even if they are met with hostility and persecution. This Gospel reminds us not to be afraid to speak out for what is right and true. Courage helps us to do many great things: to resist temptations, to overcome obstacles and to face our fears when we have followed what is good.

Key workers

Remember, if you need your child to come into school while you are at work, please email the school office beforehand.

Dear Lord Jesus, please give us the courage always to do and say what is right and help us to remember that we can always put our faith in you. Amen.

Keeping children safe

The [Parents Protect! website](#) has plenty of information and resources on how to keep children safe from sexual abuse. They have put together [a list of useful resources](#) that can help you bring up issues such as how to be safe online and consent.

Family Safety

A guide for parents to keep children and young people safe from sexual abuse.

There are videos and guides available from [the NSPCC website](#) designed for parents and carers to use with young children to help keep them safe, including the [Pantosaurus video](#) and [The Underwear Rule](#) that teach children that their body belongs to them and they have a right to say no.

Keeping safe during COVID-19

I have attached some information to this newsletter on keeping safe.

Tik Tok: a guide for parents from CEOP

A new Parent Info article explores [how Tik Tok works](#), the parental controls available, and how they can help their child to stay safer on the platform. This is well worth reading if your child uses Tik Tok.
