

**Good Shepherd Catholic
Primary & Nursery School**

ADMISSIONS POLICY AND PROCEDURES

Last Review Date: March 2020

For entry in September 2021

Good Shepherd Catholic Primary and Nursery School is a voluntary aided school in the Diocese of Southwark. It is in the trusteeship of the Diocese. The school is conducted by its governing body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government and seeks at all times to be a witness to Jesus Christ. The school exists primarily to serve the Catholic community and Catholic children always have priority of admission. However, the Governing Body also welcomes applications from those of other denominations and faiths and from those who have no faith who support the religious ethos of the school.

Having consulted with the Local Authority, the Diocese and other admission authorities, the governors intend to admit into the reception class, in September 2020, up to 30 pupils, the published admission number (PAN), without reference to ability or aptitude.

Admissions Criteria

Where the number of applications exceeds 30 the Governors will offer places using the following criteria in the order stated below: -

1. Looked after Catholic children or looked after children in the care of Catholic families and previously looked after Catholic children who have been adopted or who have become the subject of a residence or guardianship order.
2. Catholic children: baptismal certificate or evidence of reception into the Catholic Church must accompany the supplementary information form.
3. Other looked after children and other previously looked after children who have been adopted or who have become the subject of a residence or guardianship order.
4. Children enrolled in the catechumenate. Evidence of enrolment in the catechumenate will be required.
5. Children who are members of Eastern Orthodox Churches. Evidence of Baptism will be required.
6. Children of families who are members of other Christian denominations that are part of Churches Together in England. Evidence of Baptism (or dedication) provided by a priest or minister of a designated place of worship will be required.
7. Children who are members of other faiths. Evidence of membership of the faith provided by a priest, minister or religious leader of a designated place of worship will be required.
8. Any other children.

Oversubscription Criteria

The following order of priorities will be applied when applications within any of the above categories exceed the places available and it is necessary to decide between applications.

- i. For Category 2 above - The strength of evidence of commitment to the faith as demonstrated by the level of the family's Mass attendance on Sundays over a period of 3 years. This evidence must be provided by the parents/carers and be endorsed by a priest at the church(es) where the family normally worship. Applications will be ranked in the order shown on the Supplementary Form; firstly, those who attend Mass weekly, then once or twice a month etc.
- ii. A brother or sister on the school roll at the time of admission. Evidence of the relationship may be required. The governors will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's published admissions number.
- iii Children of teaching staff where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made.
- iv. Social, pastoral and medical needs which make the school particularly suitable for the child in question. Strong and relevant evidence must be provided, at the time of application, by an appropriate professional authority (e.g. qualified medical practitioner, education welfare officer, social worker or priest).
- v. Proximity to the school of the child's home address, the distance measured in a straight line from the school entrance by the local authority using a geographical computerised information system. Evidence of residence may be required. Where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the school the place will be decided by the drawing of lots.

Notes:

- a. Catholics include members of the Ordinariate and the Latin and Oriental Rite Churches that are in union with the Bishop of Rome. Reference to other Christian denominations refers to denominations that are full members of Churches Together in England.
- b. A "brother or sister" means children who live as brother and sister including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters. It would not include other relatives (e.g. cousins).
- c. Home refers to the permanent home address at which the child lives for the majority of his/her time and with the parent who is in receipt of child benefit.
- d. A looked after child has the same meaning as in section 22(1) of the Children Act 1989 that is a child who is (a) in the care of a local authority or (b) being provided

with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application. A previously looked after child is a child who was looked after but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.

Admissions procedure

In addition to the Common Application Form (CAF) required by the Local Authority, the Supplementary Information Form (available from the school and from the local authority), should be completed and sent to the school not later than the national closing date for primary schools (15 January 2021). This should be done even if the CAF is completed online. If the Supplementary Information Form is not completed, the governing body of the school will only be able to consider the application after all applicants who have completed a Supplementary Information Form. You are advised to make two copies of the forms. You should retain one copy and pass the second copy to the school or your priest, as indicated. Offers of places will be sent to parents by their home local authority on the common offer date 16 April 2021.

Pupils with an Education Health and Care Plan

The admission of pupils with an Education Health and Care Plan is dealt with by a completely separate procedure. The procedure is integral to the making and maintaining the Education Health and Care Plans by the pupil's home local authority. Details of this separate procedure are set out in the SEND code of practice. Pupils with an Education Health and Care Plan naming the school will be admitted without reference to the above criteria.

Appeals

Parents whose applications for places are unsuccessful may appeal to an Independent Appeal Panel set up in accordance with section 94 of the School Standards and Framework Act 1998. Appeals must be made in writing and must set out the reasons on which the appeal is made. Appeals should be made to the Admissions Appeal Clerk at the school address. Parents/Carers have the right to make oral representations to the Appeal Panel. Infant classes are restricted by the legislation to 30 children. Parents should be aware that an appeal against refusal of a place in an infant class may only succeed if it can be demonstrated that: -

- a) the admission of additional children would not breach the infant class size limit; or
- b) the admission arrangements did not comply with admissions law or had not been correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or

c) the panel decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Admission of pupils from Good Shepherd Nursery

Pupils in Good Shepherd Nursery do not have a right to a place in Reception and a separate application must be made.

Admission of children below compulsory school age

The governors will provide for the admission of all children in the September following their fourth birthday. Parents can request that the date their child is admitted to the school is deferred until later in the school year or until the child reaches compulsory school age in that school year; parents may also request that their child attends part-time until the child reaches compulsory school age.

Admission of children outside their normal age group

Parents who are seeking a place for their child outside of their normal age group, eg, the child has experienced problems such as ill health or the parents of a summer born child preferring not to send their child to school until the September following their fifth birthday, may request that they are admitted out of their normal age group that is to reception rather than year 1. Governors will make decisions on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group, and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. They will also take into account the views of the school's head teacher. When informing a parent of the decision which year group the child should be admitted to, the governors will set out clearly the reasons for their decision. Where the governors agree to a parent's request for their child to be admitted out of their normal age group and, as a consequence of that decision, the child will be admitted to the age group to which pupils are normally admitted to the school the local authority will process the application as part of the main admissions round, (unless the parental request is made too late for this to be possible) and on the basis of the determined admission arrangements, including the application of oversubscription criteria where applicable. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group.

Waiting Lists

Parents of children who have not been offered a place at the school may ask for their child's name to be placed on a waiting list. The waiting list, which will be maintained until 31st December 2021, will be operated using the same admissions criteria listed above. Placing a child's name on the waiting list does not guarantee that a place will become available. This does not prevent parents from exercising their right to appeal against the decision not to offer a place. It is possible that when a child is directed under the local authority's fair access protocol they will take precedence over those children already on the list.

Late Applications

Any late applications will be considered by the Governors' Admissions Committee, in the event of there being any available places, using the above criteria. If all places have been filled, parents will be offered the opportunity of placing their child's name on the waiting list. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.

This admissions procedure, although primarily relevant to children for whom a place is sought at the normal age of entry to primary education (Year R), will also apply to succeeding years, and be subject to the availability of places.

In-year (casual) admissions

Applications for a place at the school (for any year group) must be made using the School's Supplementary Information Form. The same criteria is used to rank the application for in-year admissions as for Reception places.

Amendment to the Admissions Policy and Procedures in light of COVID-19

The in-year variation sought in regards to Catholic practice and the suspension of the obligation to attend Mass has been agreed by the RSC.

On the advice of the Education Commission of the Archdiocese of Southwark the governing body of Good Shepherd Catholic Primary and Nursery School has agreed the following statement in order to clarify how its faith-based oversubscription criteria will be interpreted whilst churches are closed or attendance at church is not possible due to COVID19. This statement has been shared widely with parishes in order to ensure that determinations made by parish priests concerning regular practice of the faith are being made on a consistent basis. The suspension of the obligation to attend Sunday Mass was announced on 18th March 2020 by Bishops' Conference of England and Wales. If a parent/carer attended Mass at particular parish (or parishes) prior to 18th March 2020 then they will be considered to have attended Mass in that parish (or parishes) regularly since that time. This will remain the case until the Sunday obligation is reintroduced by the Bishops.
